

# Web Load Tender for Carriers – User Instructions

There are four main screens in the Web Load Tender tool: **Offered Loads**, **Offer Details**, **Awarded Loads**, and **Offer History**. This document describes how each screen works and includes step-by-step instructions for each. This system is designed for carriers to submit bids for load offers, which XPO Logistics then awards.

## Offered Loads Screen

The Offered Loads screen displays all loads that are currently available for bidding. Use this screen to view offered loads and enter bids.

The screenshot shows the 'Offered Loads' screen with a table of load offers. The table has columns for Offer ID, Time Left, Status, Origin City, ST, Depart, Dest City/Via, ST, Arrive, Haz Miles, Your Bid, At Contract, and Enter Bids. Below the table are buttons for 'View Contract', 'Awarded Loads', 'Offer History', 'Refresh', and 'Bid'. A legend and a note are also visible at the bottom.

**Callout Boxes:**

- Top Left:** You are logged in as this carrier.
- Table Header:** See the table on the next page for descriptions of each column.
- Table Columns:** Click the **arrows** to sort each column in ascending or descending order.
- Table Row:** Click an individual **Offer ID** to view that offer's load details.
- At Contract:** Click the **At Contract** arrow to enter the contract rate as your bid amount.
- Enter Bids:** You may enter a bid on one load or multiple loads. When you have entered your bid(s) and are ready to submit them click **Bid** below.
- Decline:** Click the red **X** to decline a load offer. (This will remove the offer from this list. It will still be visible on the Offer History screen).
- Info Icon:** Hold your mouse over the "i" icon to view special instructions for the load.
- Awarded Loads:** Click **Awarded Loads** to view loads that have been awarded. Click **Offer History** to see all loads that have been offered up to today.
- Refresh:** Click **refresh** to reload this screen with the latest data.
- Bid:** After entering your bid(s) in the Enter Bids column, click **Bid** to submit them to XPO Logistics.

## Offered Loads Column Descriptions

| Column Name        | Description   |
|--------------------|---|
| Offer ID           | The Offer ID is a unique identifier for each load.<br>Each Offer ID is a link. Click it to view Offer Details if necessary.   |
| Time Left          | Displays the remaining time that is available to bid on a load. Load offers with less than 30 minutes remaining are highlighted yellow. Load offers with less than 10 minutes remaining are highlighted red.  |
| Status             | The status of the load offer. The status codes are as follows:<br><b>Open</b> —this load is open for bidding, but you have not submitted a bid.<br><b>Bidding</b> —this load is open for bidding, and you have submitted a bid.   |
| Origin City / ST   | Origin City and State for the load. City and State can be sorted independently.   |
| Depart             | Departure time  |
| Dest City/Via / ST | Destination City and State for the load. If a Via is required, it is also displayed. City and State can be sorted independently.  |
| Arrive             | Arrival time  |
| Haz                | Indicates whether the load is Hazmat or not. <b>Yes</b> indicates the load is Hazmat. <b>No</b> indicates it is not Hazmat.   |
| Miles              | The number of miles from Origin to Destination, including any required Via  |
| Your Bid           | The bid you have submitted for this load.   |
| At Contract        | Your carrier's contract rate for this load.   |
| Enter Bids         | Enter your rate per load in US dollars into this field. The bid amount should be for Linehaul charges only, excluding any Fuel Surcharges or accessorial charges. You may enter bids on multiple loads if you wish. When you are ready to submit your bid(s), click the <b>Bid</b> button below this column. The screen will refresh. |

## How to Place a Bid using the Offered Loads screen, step-by-step

1. Use the **sort arrows** to identify a load to bid on, if necessary.
2. Enter your rate per load in US dollars in the **Enter Bids** field for that load.
3. Click **Bid**.

## Offer Details Screen

The Offer Details screen appears when you click an **Offer ID** link on another screen. It displays more detailed information about the load.

You may enter a bid from this screen. You may also withdraw a bid, as long as you are not currently the lowest bidder. (The lowest bidder may not withdraw a bid using this system).

**At Contract:** Your carrier's contract rate for this load

**Current Bid:** Your current bid for this load

**Enter Bid:** Enter a rate and click **Bid** to submit a bid; simply click

**Withdraw** to withdraw a bid

**Return:** Click Return to go back to the previous screen.

The screenshot shows the Offer Details screen for a contract. The top navigation bar includes 'Home', 'About Us', 'Registration', 'Tools', 'Contract Carriers', and a 'Contact Us' button. The main content is divided into several sections:

- Offer Details:** Offer ID: 275, Miles: 2994, Hazmat driver required: No.
- Bid Information:** Status: Won, Time Left: 0, At Contract: \$4580.82, Current Bid: \$4200.00. There are buttons for 'Enter Bid', 'Bid', 'Withdraw', and 'Return'.
- Special Instructions:** A red box highlights a blue 'i' icon and the text 'Spot trailer 2 hours prior to departure'.
- Routing:** Origin: LOS ANGELES (ULA), 12903 LAKELAND ROAD, SANTA FE SPRINGS, CA 90670, Departure Time: 13:00 Tuesday, November 24, 2009. Via: LAS VEGAS (ULV), 4201 FREHNER ROAD, N. LAS VEGAS, NV 89030, Arrival Time: 19:30 Tuesday, November 24, 2009, Departure Time: 21:30 Wednesday, November 25, 2009. Destination: NORTH BOSTON (XNB), 22 MCGRATH ROAD, DRACUT, MA 01826, Arrival Time: 07:00 Friday, November 27, 2009.
- Note:** Bid amount should be for Linehaul charges only, excluding Fuel Surcharge, Stop off charge, or any other accessorial charges. Applicable accessorial charges will be added after delivery, during the billing process per our contractual agreement.

These special instructions are also visible by holding your mouse over the blue "i" icon on other screens.

### How to Place or Withdraw a Bid using the Offer Details Screen, step-by-step

1. Click an **Offer ID** link from another page to display the Offer Details screen.
2. To enter a bid for this load, enter your rate per load in US dollars in the **Enter Bid** field and click **Bid**.
3. To withdraw a bid that you made previously, simply click **Withdraw**. (Withdrawing is only possible in this system if you are not the low bidder).

# Awarded Loads Screen

The Awarded Loads screen displays all loads that have been awarded to you. Use this screen to accept all awarded loads.

You may enter the booking number on this screen. If the booking number is not yet available and you wish to accept the load anyway, use the check box to accept the load. If you do not enter the booking number before clicking accept, you will need to enter the booking number using the booking tool later.

In addition to the column sort arrows below, you may filter the loads that are displayed using these filters. Only loads that meet the criteria you enter will be displayed. Leave the fields blank to display all. Click **Display** to run your filter(s). Click a page number to go to that page.

See the table below for descriptions of each column.

The screenshot shows the 'Awarded Loads' interface. At the top, there are navigation links: Home, About Us, Registration, Tools, Contract Carriers, and a yellow 'Contact Us' button. Below this is a filter section with fields for Offer Id, From Offered Date, Orig City/State, Status, To Offered Date, and Dest City/State, along with a 'Display' button. The main table lists various loads with columns for Offer Id, Offered Date, Status, Origin City, ST, Depart, Dest City/Via, ST, Arrive, Haz, Miles, Your Bid, Select, and Booking Number. At the bottom, there are buttons for 'View Contract', 'Offered Loads', 'Offer History', and 'Accept'. Red boxes highlight the 'Offered Loads' and 'Offer History' buttons, the 'Accept' button, and a checkbox in the 'Select' column for offer 257. A red 'X' icon is also visible next to offer 264.

**Booking Number Available:**  
If you wish to accept the load and have the Booking Number, enter it in the Booking Number column, and then click **Accept** below.

**No Booking Number:**  
If you wish to accept the load now and enter the Booking Number later using the booking tool, then select the checkbox and click **Accept** below.

Click **Offered Loads** to view loads that are currently available to bid on. Click **Offer History** to see all loads that have been offered to you.

After entering the booking number(s) or selecting the checkbox(es), click **Accept** to accept the loads.

Click the red **X** to refuse a load that has been awarded to you.  
Note that this is different from the Offered Loads screen—on that screen the red X simply declines the offer and removes the load from your Offered Loads list.

## Awarded Loads Column Descriptions

| Column Name        | Description   |
|--------------------|---|
| Offer ID           | The Offer ID is a unique identifier for each load.<br>Each Offer ID is a link. Click it to view Offer Details if necessary.   |
| Offered Date       | The date the load was offered.  |
| Status             | The current status of the load:<br><b>Accepted</b> – XPO Logistics has awarded you the load, and you have accepted it.<br><b>Refused</b> – XPO Logistics has awarded you the load, and you have refused it.<br><b>Tendered</b> – XPO Logistics has awarded you the load, but you have not yet accepted or refused it. |

| Select             | If you wish to accept a load without entering a booking number at this time, select the checkbox then click the <b>Accept</b> button. Note that if you do not enter a booking number, you will need to enter it later using the booking tool.   |
| Booking Number     | If you wish to accept a load and enter the booking number at this time, enter the booking number, and then click the <b>Accept</b> button.  |

## How to accept a load that has been awarded to you using the Awarded Loads screen, Step-by-step

1. Use the **filter** options to identify loads to accept (if necessary)
2. Use the **sort arrows** to further refine the group of loads to be accepted (if necessary)
3. Enter the **booking number** for each load if you have it available.
4. If you do not have the booking number, select the **checkbox** for loads you wish to accept (enter the booking number later in the booking tool.)
5. To accept the loads, click the **Accept** button.

## How to refuse a load

1. Click the red X next to a load to refuse it.

## Offer History Screen

The Offer History screen displays all loads that have been made available to you by XPO Logistics. Both past loads and currently available loads are available for research. Even loads that you have declined on the Offered Loads screen (and are therefore no longer visible on that screen), are visible on this screen.

In addition to the column sort arrows below, you may filter the loads that are displayed using these filters. Only loads that meet the criteria you enter will be displayed. Leave the fields blank to display all. Click **Display** to run your filter(s). Click a page number to go to that page.
